XLII. TURKISH MICROBIOLOGY CONGRESS
25–29 November 2026 / Rixos Sungate, Antalya

SCIENTIFIC PROGRAMME

NOVEMBER 25, 2026, WEDNESDAY

COURSE PROGRAMS

Time	Room 1	Room 2	Room 3	Room 4	Room 5
13:00 15:00	**TMC Antimicrobial Susceptibility Testing, Standardization Working Group** **Grey Zone in Antibiotic Sensitivity Testing**	**TMC Mycobacteria Working Group** **Extrapulmonary Course** **Diagnosis of Tuberculosis Infection**	**TMC Mycology Working Group** **Mycology Course** **Fungal Infections in Common Yeast and Mold Infections with Case Studies**	**TMC Molecular Epidemiology Working Group** **Molecular Epidemiology Course**	**EpiCheck Course** **EpiCheck® for women: A Practical Path from Data Entry to Reporting Findings**
15:00 17:00	Hall A **Opening Ceremony of the XLII Turkish Microbiology Congress** **Welcome Addresses** Candan Çiçek President, Turkish Society of Microbiology Nuran Eren President, Clinical Microbiology Specialists Association				

NOVEMBER 26, 2026, THURSDAY

Hour	Hall A	Hall B	Hall C	Hall D - E
08:00 09:00	**Meet the Expert** **TMC Molecular Epidemiology Working Group** **Rapid Diagnostic Course** Moderator: Rabia Can Speaker: Pervin Özlem Balcı	**Meet the Expert** **TMC Molecular Epidemiology Working Group** **Past, Present, and Future of Molecular Epidemiology** Speaker: Rıza Durmaz	**Interactive Session** **TMC Disaster and Epidemics Working Group** **A Life Often You an Enzyme** Moderators: Banu Sancak, Ayşegül Taylan Özkan	**Oral Presentation Session 1 - 2**
09:00 10:00	**Panel** **TMC Antimicrobial Susceptibility Testing, Standardization Working Group** **Antimicrobial Susceptibility Testing from a Diagnostic Stewardship Perspective: Interpretive Roundtable Discussion** Moderators: Goner Söyletir, Deniz Gür, Ufuk Hasanoğlu Presenters: Ayşe Kalkancı Kendirlioğlu, Şükrü Aydemir, Dürdane Arslantaş, Şükrü Aydemir, Dürdane Arslantaş, Şükrü Aydemir, Gülnaz Aslıhan Kocagöz	**TMC Anaerobe Working Group** **Silent Anaerobic Actors in Gastrointestinal Tract and Their Clinical Implications** Chairs: Ares Jin, Mustafa Özyurt **The Role of Anaerobes in Infections** Speaker: Nurcan Tuğcugöz **Anaerobic Bacteremia** Speaker: Ömrüm Uzel **Clinical Implications: Case Presentations** Speaker: Ares Nil	**Panel** **TMC Disaster and Epidemics Working Group** **Earthquake** **A Tale of Two Cities, A Tale of Two Laboratories: A Crisis Game** Speakers: Hatice Nevgün Özen, Emrah Ruh, Ayşegül Taylan Özkan, Banu Kuşkonmaz, Ergül Özer, Tayfun Bozik	**Oral Presentation Session 3 - 4**
10:00 10:30	Coffee Break, Industry & Poster Visits			
10:30 12:00	Hall A **Satellite Symposium** **Innovative Solutions in Molecular Diagnostics** **Smart Laboratories and Full Automation** Speaker: Mustafa Kutlaka (Chairman of the Bioeksen Scientific Board) **Next-Generation Tuberculosis Diagnostics** Speaker: Harald Hoffmann (Director of the WHO Supranational Tuberculosis Reference Laboratory)			
12:00 13:00	**Mini Conference** **Microbiota in Space: Microgravity, Radiation, and the New Frontier of Antimicrobial Resistance** Chair: Tarık Karaoğlu Speaker: Barış Otlu	**KLIMUD Mini Panel** **Sterilization: Distinction Antisepsis, Working Group** **Sustainability and Green Transition in Healthcare: Perspectives, Challenges, and Practices** Chairs: Elvan Tezgin Metin **Material Selection and Resource-Saving in Sterilization: Environmental and Economic Perspectives** Speaker: Selvigül Ün **Green Disinfectants: Is It Possible to Disinfect Surfaces Without Compromising Efficacy?** Speaker: Dolunay Gülmez	**Young Scientists Session** **The Future of Microbiology: New Horizons in Diagnostics, Epidemiology, and Research** Chairs: Nurver Özer, Nuri Öztürk **CRISPR Technology: From Diagnosis to Therapy** Speaker: Ayşegül Altay **From Culture to Metagenomics: Next-Generation Sequencing Era in Diagnostics** Speaker: Elif Sarıcı Tanrıverdi **Career Development Skills for the Clinical Microbiologist** Speaker: Hacer Aydeli Bora	**Oral Presentation Session 5 - 6**
13:00 14:00	Lunch, Industry & Poster Visits			
14:00 15:00	Hall A **Satellite Symposium** **Supporting Antimicrobial Stewardship Through an Integrated Microbiology Laboratory: Digital solutions** Chair: Alicia Martin			
15:00 16:00	**Panel** **Innovations in Tuberculosis Diagnostics**	**Mini Panel** **TMC Sepsis Working Group** **Sepsis Etiology and Molecular Diagnosis in Sepsis** Chair: Özgen Eser **From Gram Staining to Next-Generation Molecular Diagnostics in Sepsis Management** Speaker: Mehmet Yurttutan Oyar **Novel Molecular Approaches in Sepsis Diagnosis** Speaker: Nesrin Yurttutan Uyar	**Interactive Case Session** Facilitators: Onur Karahuna, Hüsnü Pullukçu, Oğuz Kayaoroğlu, Meltem Tokgözoğlu, Selda Demiraj	**Oral Presentation Session 7- 8**
16:00 16:30	Coffee Break, Industry & Poster Visits			
16:30 17:30	**Panel** **TMC Virology Working Group: Recent Trends in Hepatitis Viruses and HIV** Chair: Emel Akçalı **Hepatitis A ve E** Speaker: Emel Akçalı **Hepatitis B ve C** Speaker: Bedia Dinç **HIV** Speaker: İmran Sağlık	**TMC One Health Working Group** **Climate Change's Contribution to Waterborne Pathogens in the Anthropocene** Chair: Ahmet Anıtakır **Cities Are Talking: Outbreak Tracking from Wastewater** Speaker: Ayşe Kalkancı **What Does Nasal Flora Tell Us?** Speaker: Serap Suroğlu	**Silent Invaders in the Lung: Atypical Pneumonia Agents** Chair: Aslı Aslan Speakers: Tuğçe Bozok, Şirzat Kanar	**Oral Presentation Session 9 - 10**
17:30 18:30	**Panel** **TMC Mycobacteria Working Group** **Host–Pathogen Balance: The Two Faces of Immune Response in Tuberculosis** Chair: Nuran Eren **Conclusion: The Silent War of Macrophages and M. tuberculosis** Speaker: Nuran Eren **Tuberculosis: Disease or Sanctuary?** Speaker: Merve Tepe Dumrul **If the Balance Breaks: From Immune Response to Disease** Speaker: Deniz Gazel	**Mini Conference** **Biomarkers** Chair: Ayşe Kalkancı Speakers: Tayfun Bozik, Hale Tanrıverdi Çiftçi	**Mini Conference** **Veterinary FAQ** Moderators: Hüsnü Pullukçu, Meltem Tokgözoğlu	**Oral Presentation Session 11 - 14**
18:30 19:30	**Mini Conference** **Artificial Intelligence and its Use in Microbiology** Chair: Dilek Menemenlioğlu, Onur Gürpınar Speaker: Tunca Doğan		**Mini Conference** **The Role of Microplastics in Antimicrobial Resistance Transfer** Chair: Ayşegül Taylan Özkan Speaker: Nüket Sivri	

NOVEMBER 27, 2026, FRIDAY

Hour	Hall A	Hall B	Hall C	Hall D - E
08:00 09:00	**Ümraniye Yetişkin:** **Artificial intelligence integration into Hospital Information Systems and Smart Molecular Diagnostics** Speaker: Mesut Yılmaz	**13th National Molecular and Diagnostic Microbiology Congress Opening Session**	**Mini Conference** **Antimicrobial Incorporation of Teaching-Research Nexus into Student Learning for Sustainable Futures** Chair: Ahmet Cabir Bayrakoğlu Speaker: Şeyk Kurtdede	**Oral Presentation Session 11 - 12**
09:00 10:00	**Panel** **TMC Mycobacteria Working Group** **Host–Pathogen Balance: The Two Faces of Immune Response in Tuberculosis** Chair: Nuran Eren **Conclusion: The Silent War of Macrophages and M. tuberculosis** Speaker: Nuran Eren **Tuberculosis: Disease or Sanctuary?** Speaker: Merve Tepe Dumrul **If the Balance Breaks: From Immune Response to Disease** Speaker: Deniz Gazel	**Evolutionary Connection from CRISPR-Cas9 to the Immune System** Chair: Yakut Akyön Yılmaz Speaker: Tarık Karaoğlu	**Interactive Panel** **Mirror and Shield** **Can We Be Saved from the Hepatitis Viruses – Where Are They Now?** Speakers: Selma Gökahmetoğlu, Selda Demiraj, Mehmet Soyu	**Oral Presentation Session 13 - 14**
10:00 11:00	**Panel** **Understanding Syndromic Testing: Where is the Real Difference?** Moderator: Candan Çiçek Speakers: Gürkan Bozkurt, Aynur Karaoğlı Akın, Yusuf Yalçınçağlıkoğlu	**Detection of Autoantibodies via Automated Computer-Aided Microscopy Systems: Pros and Cons** Chair: Barış Şaraç Speakers: Nilgün Kayıkçılığı, Tutku Yaprakçı	**Mini Conference** **Veterinary Laboratories via Autonomous Systems: Pros and Cons** Chair: Ahmet Cabir Bayrakoğlu Speaker: Şeyk Kurtdede	**Oral Presentation Session 15 - 16**
11:00 12:00	**Panel** **Mycovirology Working Group: Fungal Threat from Ecosystem to Immunity: One Health, Clinical Outlook and What Lies Ahead?** Chairs: Semra Kustimur, Ayşe Kalkancı Speakers: Tülevhi Sağlık **Mini Conference** **Next-Generation Approaches in Preclinical Sepsis: Experimental Modeling and the Rise of Cell-Based Therapies** Chair: Aynur Karaysi Akın Speaker: Gökçen Dinç	**Innovations in Immunological and Molecular Approaches in Fungal Infections** Chair: Tuğçe Bozok **Candida Drug Combinations: A Sugar Code used by the Immune System to Recognize the Self-Danger of Fungal Pathogens** Speaker: Ömrüm Uzel Yılmaz **Translational Approaches in Fungus-Host Interaction** Speaker: Özlem Doğan	**Mini Conference** **TMC Immunology Working Group** **Tolloid Immunity** Chair: Tuğba Kuş Atik Speaker: Özgenur Yüyen Emiş Emiş	**Oral Presentation Session 17 - 18**
12:00 13:00	Lunch, Industry & Poster Visits			
13:00 14:00	Hall A **Satellite Symposium** **The Role of Autoloc Microbiology Systems in Modern Laboratory Practice** Chair: Alicia Martin Speaker: Pınar Sağlıoğlu			
14:00 15:00	**Mini Conference** **Innovative Approaches in Antifungal Therapy: Current Status and Challenges and What Lies Ahead?** Chairs: Semra Kustimur, Ayşe Kalkancı Speakers: Tülevhi Sağlık **Mini Conference** **Next-Generation Approaches in Preclinical Sepsis: Experimental Modeling and the Rise of Cell-Based Therapies** Chair: Aynur Karaysi Akın Speaker: Gökçen Dinç	**Molecular Approach to Current Threats in One Health** Chair: Şeyda Özaslan **Antimicrobial Resistance in a One-health Context: Global Challenges and Opportunities** Speaker: Ayşe Kalkancı (Online) **Zoonotic Hepatitis E** Speaker: Özgün Özkaya Şahin (Online	**Interactive Session** **Adaptation of Registry Changing AI Tools to Academia** Moderators: Seyit Durmuş, Gözde Akkuş Kılıçlı, Alper Otlaoğlan	**Oral Presentation Session 17 - 18**
15:00 16:00	Coffee Break, Industry & Poster Visits			
16:00 17:00	**TMC Mycology Working Group: Fungal Threat from Ecosystem to Immunity: One Health, Clinical Outlook and What Lies Ahead?** Chair: Asuman Bircan **Fungal Threats and Crisis from Nature to Cities Under the Grip of Climate Change: Changing Epidemiology Patterns** Speaker: Semra Kustimur **Has Mycological Diagnosis Evolved?** Speaker: Sevcan Bulut **Beyond Resistance: Fungus Battle: How Do Fungi Manipulate Immune Cells?** Speaker: Kemal Bilgin	**Mini Panel** **Threatening Mycobacterial Agents** Chair: Barış Sancak **Mycobacterium abscessus Infections** Speaker: Esra Kazma **Mycobacterium abscessus infections in immunocompromised patients** Speaker: Esra Kazma **Mycobacterium chimaera** Speaker: Esra Kazma	**Escape Rooms:** **Escape Competing** Contestants: Can Berk Kurt, Merve Kanat, Ayşe Nur Kaplan, Ela Doğar Altaş, Derda Işık, Salih Emre Işık **Room 1: Culture Crisis** **Room 2: The Clinician is Calling You** **Escape Rooms in Education** Speaker: Hatice Şahin	**Oral Presentation Session 19 - 20**
17:00 18:00	**There Is One More Possibility: Could It Be the Syndromic Panel?** Chair: Banu Sancak Speakers: Canset Nur Aydoğan, Tuğçul Haylaz		**Mini Conference** **Culture Collections and Gene Bank** Chair: Ayşegül Taylan Özkan Speaker: Demet Yumuşak	
18:00 19:00	**Kimet Kardeşmiz** **Kanser Tedavisinde Tümörü Hedefleyen Mikroorganizmalar: Yeşyurt Reçiyesi Doğru** Okurum Başkanı: Gülay Anıl Akarsu Konuşmacı: Kaya Cesur	**Beyond Resistance Genes: Microbial Epigenetics and Antimicrobial Resistance** Chair: Barış Otlu Speaker: Emine Ezgi Engin		
19:00 20:00		**13th National Molecular and Diagnostic Microbiology Congress Closing Session**		
20:00		**General Assembly**		

NOVEMBER 28, 2026, SATURDAY

Hour	Hall A	Hall B	Hall C
08:00 09:00	**Meet the Expert** **Clinical Benefits of Fecal Calprotectin and Distance Testing, reducing the need of endoscopies and MRI monitoring value** Konuşmacı: Radosław Piekuszt	**Meet the Expert** **Meet the Expert** Moderators: Dilek Yeşim Metin, Nedret Koç	**Interactive Session** **"Suspects at the Table: Tracing Foodborne Infections"** Chair: Hatice Nevgün Özen Panelists: Canberk Çınar, Yağmur Merdan
09:00 10:00	**Panel** **TMC Molecular Epidemiology Working Group: Reinterpreting Resistance, Outbreaks and Surveillance from a Molecular Epidemiology Perspective** Chair: Rıza Durmaz **Genomic Analysis of Hospital-Acquired Outbreaks** Speaker: Rıza Durmaz **Mobile Genomic Reservoirs in Hospital Outbreaks** Speaker: Özgen Eser **Molecular Epidemiology of Community-Acquired and Zoonotic Transmission Routes** Speaker: Nuran Karakavuk	**KLIMUD Panel** **Commission on Quality and Accreditation in Laboratory Practices** **We Are Discussing Quality Requirements** Chairs: Ramazan Uluçam, Ayşe Kalkancı **Quality Indicators in the Analytical Phase: What Are the Principles of Quality Control** Speaker: Ramazan Uluçam **Quality Indicators in the Post-Analytical Phase: Interpretation and Reporting of Laboratory Analyses** Speaker: Ergül Aşçıoğlu **Quality Indicators in the Continuous Improvement in Our Laboratory** Speaker: Sultan Gülbahçe Oman	**Mini Conference** **TMC AKKTC Platform** **Re-reading Infections** Chair: Emrah Ruh **AI-Supported Systems in the Diagnosis of Infectious Diseases** Speaker: Buket Bakdöl **Opportunities and Limitations in Microbiology with Deep Learning** Speaker: Ayşe Tayar **The Impact of Infectivation, Climate Change, and Ecosystem Transformation on the Epidemiology of Infectious Diseases** Speaker: Emrah Ruh
10:00 11:00	Coffee Break, Industry & Poster Visits		
11:00 12:00	Salon A **Satellite Symposium** **A New Era in Syndromic Diagnosis of Sepsis: From Diagnosis to Antimicrobial Resistance – From Test Ordering to Clinical Decision-Making** Speaker: Zeynep Ceren Karahan		
12:00 13:00	**Panel** **HPV and Other Sexually Transmitted Infections**	**Panel** **TMC Parasitology Working Group** **Current Topics in Parasitology**	**Interactive Mini Panel** **Reincarnation** **The Role of Microbiology Laboratories in the Invisible Battlefield**
13:00 14:00	Chair: Pınar Soğukoğlu **How Can We Increase Participation in National HPV Screening Programs?** Speakers: Ayşegül Ayhan (MHC, Head of Early Detection, Prevention and Infections Branch) **Social and Spiritual Elements of Sexual Behavior** Speaker: Fatih Karakuş **Condyloma** Speaker: Pınar Soğukoğlu	Chairs: Funda Oğuzoğlu Kaman Bir **Laboratory Hemorrhagic Fast Results in Toxoplasmosis** Speaker: Gülsüm Özkoç Balcı **Molecular Diagnostic Approaches in Malaria Management** Speaker: Funda Oğuzoğlu Kaman Bir **Leishmaniasis** Speaker: Yusuf Bektaşoğlu	Panelists: Selçuk Kaş, Meral Turan, Mustafa Erdem Sarıy, Fatıl Bevan Tarık
14:00 15:00	Lunch, Industry & Poster Visits		
15:00 16:00	Salon A **Satellite Symposium** **Current Approaches to the Diagnosis of Latent and Active Tuberculosis** Speaker: Hale Tanrıverdi Çiftçi		
16:00 16:30	**Mini Conference** **Antimicrobial Stewardship and AMR** Chair: Ufuk Hasdemir Speaker: Onur Karahuna	**Mini Conference** **Staying Up-to-Date in Science** Chair: Banu Sancak Speaker: Kayhan Sertöz	**Mini Panel** Chair: Yelin Karagöl **Meningitis and Peritonitis** Speaker: Selin Nur Olgun **Sepsis** Speaker: Ayşe Kalkancı **Plague** Speaker: Esra Gül Yunsel
16:30 17:30	**Mini Conference** **Antimicrobial Resistance Challenges and New Solutions for a 360-Year-Old Method** Chair: Şükrü Aydemir Speaker: Volkan Özenci	**Mini Conference** **Molecular Methods in Malaria: Challenges, Global Strategies, and Solution Proposals** Chair: Yakut Akyön Yılmaz Speaker: Özgül Kurt	
17:30 18:30	**Panel** **TMC Immunology Working Group** **Vaccine Immunology and Advanced Vaccine Platforms** Chair: Hatice Bortanaç Ünal **Vaccine Immunology: Cell & Cell Memory** Speaker: Yusuf Yeşim Özcebe **mRNA and Subunit Vaccine Platforms** Speaker: Ayşe Kalkancı **Therapeutic Vaccines Against Chronic Infections** Speaker: Haluk Barbaros Öncel	**Blood Banks and Transfusion Society of Turkey Panel** **The Three Dimensions of Blood Banking** Chair: Ramazan Uluçam **Transfusion-Transmitted Concepts in Blood Banking** Speaker: L. Tufan Kahraş **How Should I Manage My Blood Bank?** Speaker: Ayşe Kalkancı **Pathogen Inactivation** Speaker: Yasemin Heper	**KLIMUD Panel** **Device-Associated Infections Working Group** **Molecular Microbiology and New Technologies in Diagnosing Genital Tract Infections** Chair: Yasemin Şar **Use of Syndromic Multiplex PCR Panels and Syndrome-Oriented Approaches** Speaker: Merve Dalkıran **Novel Methods in the Diagnosis of Genital Tract Infections** Speaker: Tuğçe Ceyla Akkan **Diagnosis and Reporting in Genital Tract Infections with Case Studies** Speaker: Hatice Yılmaz

NOVEMBER 29, 2026, SUNDAY

Hour	Hall A	Hall B
09:00 10:00	**TTMYK** **From Specialty to Competency: Assessment, Certification, and Continuous Development in Medical Microbiology Training** Chair: Ayşen Gülcebi **Medical Microbiology Training in the Age of AI: Competency, Learning Analytics, and the Specialist of the Future** Speaker: Emrah Sağlık **Training Models and Its Subspecialty Training: Educational Institutions, Quality Assurance, and International Perspectives** Speaker: Elif Altay **Exam Day Organization Board Exams: Artificial Intelligence, Competency-Based Assessment, and Digital Transformation** Speaker: Ayhan Çalışkan	
10:00 10:30	Coffee Break	
10:30 12:00	**Where Will the Next Pandemic Emerge?** Chair: Candan Çiçek **Current Zoonotic Threats** Speaker: Ayşe Kalkancı **Genomic Surveillance, Digital Epidemiology: Early Detection of New Outbreaks** Speaker: Ayşe Hande Turk **Q&A Session** Speaker: Ares Altuntaşlı Yıldırım	**TTMYK-DDDK Medical Microbiology Qualification (Board) Examination**
12:00 13:00	**Closing Session**
